I register myself for the following : (To be validated at the arrival day):

VR3 scramble	
VR4	
PA sportive	
PA traditional	
VR speed	
FF	
Hit'n rock	

The different jumps:

VR3 scramble: The VR3 teams will be random. It's open to the holders of the B2 certificate (or equivalent for foreigners) with on-board video judgment.

VR4: The teams are already formed, otherwise there is the possibility of making teams on site. These jumps are filmed from outside.

PA sportive: Individual event open to all, except for classic PA canopy.

PA traditional: Individual event open only to PA canopy with landing on a dedicated mattress.

VR speed: Event open to holders of the B2 certificate (or equivalent for foreigners). Judging is done by external video.

Free Fly: Event open to holders of the Bi4 certificate (or equivalent for foreigners). Judging is done with an on-board video.

Hit & Rock: Mandatory event, open to all. The goal is to land as close to the target as possible, un-equip, run to the center of the target, then run and sit in a chair. The timer starts when the skydiver hits the ground and stops when he sits in the chair.
