COMPETITIONS

The event when the competition will start and the order in which each event will be held is totally dependent on the weather. The Meet Director and Chief of Judges will decide the schedule.

For instance, with clear blue skies in the first day, we will start with FS-4 Nationals, if the weather does not allow high jumps, accuracy will be done instead. Each day it will be decided which events will take place, according to weather conditions. We want to make the most on every kind of weather to jump any part of the competition jumps. This will be briefed to you daily. The information will always be available on our website and will be communicated at the beginning and end of each day.

A few days before the competition, Villarrica hosts the traditional parachuting water competition, a fun and unique competition open to anyone who wants to participate. You open your parachute, fly a few minutes observing a wonderful landscape to “land” in a beautiful warm water lake.

16th World POPS Meeting & Championships Villarrica | February 19 to 29, 2024 CHILE

PRE-EVENT TRAINING JUMPS

The Drop Zone will be open for training/fun jumps from February 12th.

Fun Jumps and Training Jumps:

Altitude (AGL)	Prepaid (Until Feb 1 st)	Paid On site
3,500 ft/ 1.100 m	USD 40,00	USD 45,00
11,000 ft/ 3.300 m	USD 55,00	USD 60,00

Jumps paid and not used will be fully refunded.

PARTICIPATION

All competitors must be members of their POPS national organization. They must prove their membership showing a valid membership card. As an option, the respective national TOP POP (or his alternate) can guarantee for them including all Nationals POPs Members into a signed form.

For safety reasons, the organization reserves the right to verify the skydiving experience of the participants. On arrival each jumper must produce his skydiving license and proof of experience such as Skydiving logbook or CoP and packing data for all his equipment including AAD.

As Chilean Safety Rules states, foreign parachutists are required to maintain and operate their equipment under regulation of their own country. The use of AAD and any kind of helmet will be mandatory.

Reserve repack cycle in Chile is 180 days, however, the Regulations of the country of origin of the athlete will be respected. In such case, to clarify competitors (or their national delegate) must send us digital copy of their own Regulations.

SAFETY RULES

- All equipment will be controlled and ticketed by our Security Officer.
- Equipment that does not meet the safety standard rules will be grounded and cannot be used in any jump.
- A left-hand landing pattern is in use on DZ (Downwind – 90 degrees left – base 90 degrees left – final). Any operational change or exception for this rule will be explained during Kick off meeting.
- Dangerous maneuvers (hook turns, low passes over crowded zone) which could cause damages to parachutists, visitors, or infrastructure are strictly forbidden, and in case of disqualification **No Refund** will be applied.
- Low pull as well as not following the rules of approaching to the landing zone are not allowed.
- In offences, the Drop Zone Safety Officer can exclude the transgressor from further jumps. **No refund politics** will be applied.

For more information, visit www.serviciosconsulares.cl/tramites/cuadro-de-visas-y-aranceles-de-chile

Entry request fee

To enter Chile, the nationals of the following countries must pay a "reciprocity fee" in accordance with the following chart.

The Chilean Government set this entry fee on equal amounts to the fees Chilean citizens must pay when requesting a visa to travel to those countries.

Nationality	Fee	Number of entries
Canadian	USD 132	Multiple entries (10 years or up to one month before passport expiration's date)
USA Citizens	USD 160	Multiple entries (10 years)

Note: Fees subject to modifications based upon reciprocity. Or its equivalent in Chilean pesos.

The payment of this fee is NOT a visa since Chile does not require visa to citizens of the above-mentioned countries when traveling for tourism purposes.

Those foreign citizens who have already paid the Reciprocity Fee in the past and it is still valid, do NOT have to pay the fee again.

HEALTH AND IMMUNIZATION REQUIREMENTS

Vaccination requirements are changing frequently so updated information should be consulted prior to travel. Chile has a strict control system to ensure that no non-native diseases are brought in, but after the World Health Organization declared the end to the Public Health Emergency of International Concern, Chile's Health Ministry has put an end to the measures of the Protected Borders Plan.
